

## **INVITATION**

*The State University of Physical Education and Sport, Republic of Moldova, has the great honour to invite you on 26 and 27 October 2017 to participate in the International Scientific Congress “Sport. Olympism. Health”, II<sup>nd</sup> edition.*

*Our fundamental objective is to invite specialists, associations, enterprises, organizations and outstanding representatives of scientific and academic spheres. We will be glad to see guests both from the European Union and other countries, for the purpose of exchanging information, knowledge-sharing and best practices. All these will allow the participants to present the results of their scientific researches in specialized sections and workshops and to bring into discussion important subjects of physical culture and Olympism development.*

*We are expecting to see you at our high-level scientific event, where you will have a direct access to the values of the modern society, based on knowledge and science. We hope this will contribute greatly to the strengthening of long-term relations between our countries.*

### **Main research areas of the congress**

- 1. Sport and society*
- 2. Olympism as a philosophy of life.*
- 3. A healthy lifestyle: medical, biological, moral, psychological, social, cultural and organizational aspects.*
- 4. Theoretical and methodological bases of sports training.*
- 5. Innovative technologies of sportsmen's training.*
- 6. Biomechanical means applied in sports activity and in the sanitation physical culture.*
- 7. Psychological aspects of sports and sanitation activity.*
- 8. Management and jurisprudence in sport.*
- 9. Olympism and Paralympism.*
- 10. Socioeconomic, juridical and managerial aspects of the Olympic Movement.*
- 11. Recreational, adaptive and rehabilitation physical culture: theoretical and methodological aspects.*
- 12. Sanitation, curative and prophylactic activities for children and youth in educational establishments.*

**Official languages of the Congress:** Romanian, Russian, English.
