6th Central & Eastern European LUMEN International Conference New Approaches in Social and Humanistic Sciences | CEE NASHS 6th edition | 19-21 September 2019 | Chisinau, Republic of Moldova

This edition of CEE LUMEN Conferences is organized in conjunction with the 4th edition of the [International Scientific Congress “Sport. Olympism. Health”](#), a conference organized by the State University of Physical Education and Sports, Chisinau, Republic of Moldova, our hosts and co-organizers.

Within this event, we also host the 2nd edition of the **International Scientific Conference LUMEN Health**, an event dedicated to the medical field, with two distinct sections: medical and nursing (medical staff other than MDs).

The 6th edition of Central & Eastern European LUMEN International Scientific Conference is a multidisciplinary event, whose general objective is to promote scientific excellence, encouraging original researches.

This CEE LUMEN International Conference aims to highlight and bring into debate the current frameworks in social sciences, with special emphasis on sociology, social work, education, social philosophy, law and communication.

The topics of the Conferences are:
